Case: 18-16859-CMG

Dear Judge Gravelle,

I am sending this letter to follow up on the status of the money that National Field Network owes our company. We have not had any further response to advise if we are going to recover the \$70,000 they owe us.

We were advised that we would be called to court to testify if needed and to date we have not heard back.

I want to be sure that our company is part of this procedure.

I also worked for NFN as an employee for over a year from 2010 to 2011

Thanking you in advance for your prompt attention in this matter

Sincerely,

*Robin Ferguson*
